

Seminole ARES/RACE Group Inc. Privacy information.

All information collected for or published by SARG is intended for use by the group and may not be used publicly or for personal gain and should be considered as confidential. SARG will not release information gathered by the group to any person or organization that is not directly affiliated with the group without notifying its members and allowing sufficient time for an opt-out. Members who receive notification and do not wish their personal information shared will be given at minimum of 48 hours to respond by email.

When sending email to everyone in the group, members will send the email using BCC (Blind Carbon Copy). By sending out an email to the whole club using the normal TO field, the potential is there for all of our email addresses to be used outside of our group.

Information viewed by a member should be protected from being released to persons without an affiliation with SARG. Such information should be destroyed by deleting, shredding, or by another secure means when no longer of use to the member.
